

# COOKED EGG SHEET

Frozen

180 days

## Export performance Country

Country of Origin	Japan
Package	10pcs
Size	200x175
Carton	30pkgs/CTN
Main Ingredients	egg, sugar, salt, modified starch, amino acid, sodium phosphate, glycerin esters of fatty acids, Carotene, etc.
How to Cook	Please thaw at a low temperature.

This thin and flexible egg wrapper is easy to roll wrap, and garnish. The same size as a whole sheet of seaweed, it's perfect for sushi rolls and adds a vibrant touch.

## Recommended Menu

It can be used as a substitute for seaweed, adding a touch of color to your menu.
